Objective

Energetic and dependable individual seeking a outdoor work, or general handyperson role. Physically active, strong, and works out on a regular basis. Proven ability to manage multiple responsibilities simultaneously, collaborate with diverse teams, and support others in fast-paced environments. Passionate about working outdoors, fostering a positive atmosphere, and contributing meaningfully to any team.

Education

University of Calgary Calgary, AB
Bachelor of Science in Computer Science *Expected Spring 2029*

Experience

Graphic Design Intern July 2023 – August 2023
Canadian Imperial Advantage *Edmonton, AB*

- Managed up to 5 concurrent projects simultaneously, consistently meeting tight deadlines while maintaining high-quality outputs — demonstrating strong time management and composure under pressure.
- Collaborated closely with a Marketing Team to plan and execute campaigns, contributing ideas and adapting based on group feedback.
- Created engaging visual materials to promote events and initiatives, increasing audience reach and community participation.
- Conducted ongoing research to stay informed on trends, developing a habit of learning and adapting quickly to new information.

School Library Assistant September 2022 – January 2023
Harry Ainlay High School *Edmonton, AB*

- Supported students and staff daily with research, technology, and resource needs — consistently delivering patient, friendly, and effective assistance.
- Organized and maintained a large inventory of books and resources, ensuring everything remained orderly, accessible, and easy to navigate.
- Managed a help desk for a diverse school community, developing strong communication and problem-solving skills across varied requests.
- Provided hands-on troubleshooting support for computers and digital devices, resolving issues calmly and efficiently.

Activities & Contributions

App & Software Development | *Self-Directed Projects* 2026

- Planned and executed multi-phase projects from concept to completion on personal timelines, building strong habits around goal-setting, iteration, and accountability.
- Collaborated with peers on development projects, taking shared ownership of outcomes and navigating disagreements constructively.
